What are my obligations?

This part explains what we believe are the most significant policy holder obligations. There are also other obligations and you need to read the Terms and Conditions to understand these.

- No person may admit any responsibility, agree to pay any claim or negotiate with any other person following an accident or incident that may give rise to a claim under Third Party Liability without our written consent.
- If a business entity or a professional person is being paid to look after or care for your dog in any way, it is your responsibility to ensure the business entity or the professional person has the appropriate Third Party insurance cover and you advise if your dog has any behavioral problems or requires special handling.
- Keeping us informed - Throughout your policy you need to tell us about certain information. The things you need to tell us about are detailed in your Certificate of Insurance and in the `Your Duty to Disclose to Us` in the policy Terms and Conditions. If you do not provide us with the full and accurate information it can result in a claim not being paid or affect the cover we provide.

When and how do I pay?
